EMMA MAE

The Sweetest Tease

Emma will fuck you. In fact, she'll fuck the cum out of your nuts in about 15 seconds. The thing is, you gotta put up with an hour of teasing first. Emma loves to tempt by peeling off her panties and throwing her cunt and ass in your face, just far away enough so your tongue can't reach. Pure pussy perfection is just a lick away, but just out of reach. At least for a little while, 'cause before you know it, even Emma can't take it and she needs her hairless beaver licked, sucked, and fucked. While you're at, you may as well cream inside her too. She won't mind at all.

Lust is a powerful, all consuming emotion that has the ability to turn your world upside down. When lusting over the object of your affection, nothing else in the world can satiate your innate desire for ravaging your amore from head to toe. Although the dictionary describes lust as intense sexual desire and overmastering craving, a person undergoing this deep-rooted hunger can tell you that the yearning is so much more than just an emotional response. The feeling is fervent, powerful, and raw and can be extremely physical in nature. With such arousing velocity propelling this carnal sin, what happens when your lust prevails and is let loose?

This is the unbridled question answered in *Lust Unleashed 2*, the second erotic adventure brought to you by the sinful mind of ace director Brother Love for Pure Passion. Shot across five thought-provoking scenarios and with a heavy use of natural lighting to make the encounters seem ethereal and romantic, you'd be hard pressed in finding a couple's friendly production that is not only stimulating for her but is ultra hardcore for you. With lip-smacking intensity and heated desire, are you ready to succumb to seduction?

32527

The lust begins with Avril Sun sauntering through a grassy meadow, picking wildflowers. As the camera pans the length of her body and the rays of the sun shine through her paper-thin dress, we can see the impeccable arc of her ivory breasts and the fleshy curve of her bubble butt.

Continuing her afternoon of innocent delights, she stumbles across a babbling brook and decides to play in the cool water. Now naked, happy and natural, this ethereal beauty looks as scrumptious as a sun-ripened peach on a hot day, as the rushing water envelopes her body. Once finished there, she stretches out on a nearby rock and is pleasantly surprised when Billy Hart comes strolling down the hiking trail. Undoubtedly, he likes what he sees.

Instinctively opening up her legs, Avril's flawless frame naturally responds to the object of her affection. Lost in lust for his amore, Billy positions himself between her creamy thighs and begins long licking the pink contours of his ladylove's labia. With deliberate and exaggerated swipes from his tongue, we can tell that both participants are in heaven. Quickly thereafter, webs of her slit gloss are seen swaying from his lips. As he pulls his head back, we all watch as her gash gloss dangles like melted mozzarella from a slice of pie. It's delicious!

With her knees already spread out and her pussy gleaming with natural nectar, Billy hikes her legs atop his shoulders and dives in, dick first. Fucking her slowly and methodically in missionary position, we can literally see the passion building up in both of their eyes. After a few minutes have elapsed, a noticeable splash of slit sauce stains the rock as he continues forking his pretty pixie in spoon position. In time, she shakes and shimmies with orgasmic fervor while he unleashes his vanilla icing across her belly.

From here, we find Dani Jensen crawling atop her stark white bed in an attempt to awaken Danny Mountain from his nap. Looking like a Bengal tiger meandering through a patch of billowy snow, Dani's sultry red hair, freckled skin and her seductive manner plays well to Brother Love's camera.

Now atop his body, she gingerly places a blindfold around his eyes and continues her descent down his muscular frame. Still sleeping, Danny is pleasantly surprised when he feels the warmth of Dani's deep throat and the tight encasing of her pink lips. Springing up on the points of his elbows to greet his lover, he's met with an added surprise...his blindfold.

Lying back down and allowing Dani's love and lust to wash over him, it doesn't take long before Danny is an active

Thoroughly enticed by the look of her natural body and smiling face, we can't help but salivate over the way Whitney fills out her black booty shorts and slinky tube top. "I'm so ready for this," Whitney purrs, anxious to wrap her tits, lips and clit around Bill's beefy stick.

Placing herself on her yoga mat, Whitney bends and twists for her instructor, enticing the room and her stud by doing sit-ups, hip thrusts and plenty of leg bends that help expose her deep-rooted camel toe. Unable to resist the wet spot forming in the crotch of her shorts, Bill peels the drenched material down her legs and takes his position between her great divide. "Are you ready for me?" he enquires, going in for his first salivating swipe of her salty slit. Cooing like a kitten, it becomes quite apparent that Whitney has a penchant for having her pussy polished.

As the action heats up, the couple makes their way to a nearby sofa whereby Whitney wraps her long legs around Bill's waist and enjoys the feel of his cock sliding in and out of her freshly shaven slit. With the gushy sound of slit sauce audible between them, we can tell that Whitney is genuinely having a great time.

Wanting to entice her hot stud with a different type of tight squeeze, Whitney switches places with Bill and rests him against the white sofa. Sliding down his sweaty body like a snake, she wraps her natural C-Cups around his cock and gives him a slippery and wet titty fucking session that makes his toes curl and his cock pop.

As that scene concludes, we're excited to report that Bruce Venture becomes the meat in the love sandwich when Kendall Karson and Lizz Tayler team up to tantalize him in a romantic scenario that is not to be missed. With loads of passion and a sexy shower scene, these three lovebirds explode, with Lizz licking the love liquid of Kendall's tights abs, sealing their deal in true porno style.

Ending on a high note, *Lust Unleashed 2* delivers a powerhouse of passionate possibilities that is made stronger by a cast of unbelievably gorgeous people and erotic scenarios. Delicious from end to end, this production deserves to be set free.

participant in Dani's bout of afternoon delight. Soon, he's double fisting Dani's glorious mane and is personally guided her head on a tour around his cock and balls. "All of this is for you," he smiles, smacking the length of his dick across her forehead that is bigger than her entire face!

Wanting a taste of Dani's happy meal, he rolls his spinner into the sixty-nine position, gorging on her hairy pussy while she continues poking her healthy set of pink tonsils with his pole. "You taste so fucking good," she smiles, going into for another overflowing mouthful of Danny's hard dick.

Wanting to continue her reign on top, Dani mounts her steed in reverse cowgirl position. Bouncing atop his body like a super ball, Dani uses her curvaceous legs to spring up and down. With her grassy green eyes rolling to the back of her head, and the pale skin around her pussy turning crimson red, we can tell that Dani's is genuinely experiencing the ride of her life!

As the day pushes forward, we find Madison Ivy fixing herself a bowl of cereal in the kitchen. Looking like a virtual sex kitten in a white t-shirt that is clinging to her humongous hooters, a pair of white panties and a head of tussled hair, she is the epitome of feminine perfection.

As the droplets of cool milk dot her chin, Billy Hart bum rushes her from behind. Sinking his mouth into the nape of her neck, Billy can't help but fill his mouth and nostrils with her erotic aromas and flavors. Spinning her around, he pulls her white t-shirt down and wraps his paws around her perfect tits. Gorging on her pale pink nipples, Billy doesn't waste a single speck of her ripened set.

Hoisting her up onto the kitchen counter, Billy peels her white panties down with his teeth and begins chowing down on her clam like Kobayashi at a hotdog-eating contest! Creaming and screaming with delight, the dynamic duo has no choice but to relocate to the staircase when her clam broth becomes too slippery and wet for them to endure another second on the slick countertop.

Practically tearing down the walls for an opportunity to get to his cock, Madison plants herself on her knees and begins unwrapping Billy's meaty surprise. Looking positively radiant with his cock hanging from her mouth, Madison makes love to his cock by cradling his balls with her tongue and devouring his taint with the edges of her teeth. "I just can't get enough," she mumbles, seemingly losing her mind when faced with all the erotic possibilities that await her.

Now in their bedroom, Billy scoots Madison to the edge of the bed, spreads her legs into a Y formation and proceeds to fuck the living daylights out of her. Unable to keep up with his frantic pace, Madison momentarily loses her breath. Once caught up and back to speed, she mounts his lap in cowgirl position and manages to fuck him harder and faster than he fucked her. Now that's what we call an active rider!

Finally, as the day turns into evening, we find Whitney Westgate getting ready for her workout session with Bill Bailey.

NEONA & ANITA

1 + 1 + 1 = 3some

Study partners Neona and Anita were struggling in their college calculus class, so they asked a fellow classmate to help them cram for their midterm exam. Of course, studying on a girl's bed in a dorm room is never finished without a creamy load spilled and that's exactly what happened. Anita and Neona made out on a dare after hour two of brushing up on infinite sequences. They figured that the distance between their slits could be easily managed with the space and time of their fingers and tongues. Of course, when you throw in a hard cock that bangs the daylights out of both cunts, most fundamental theorems are discarded in favor of a hot batch of semen. They barely passed their calc exams, but these three horndogs sure got an A in filth.

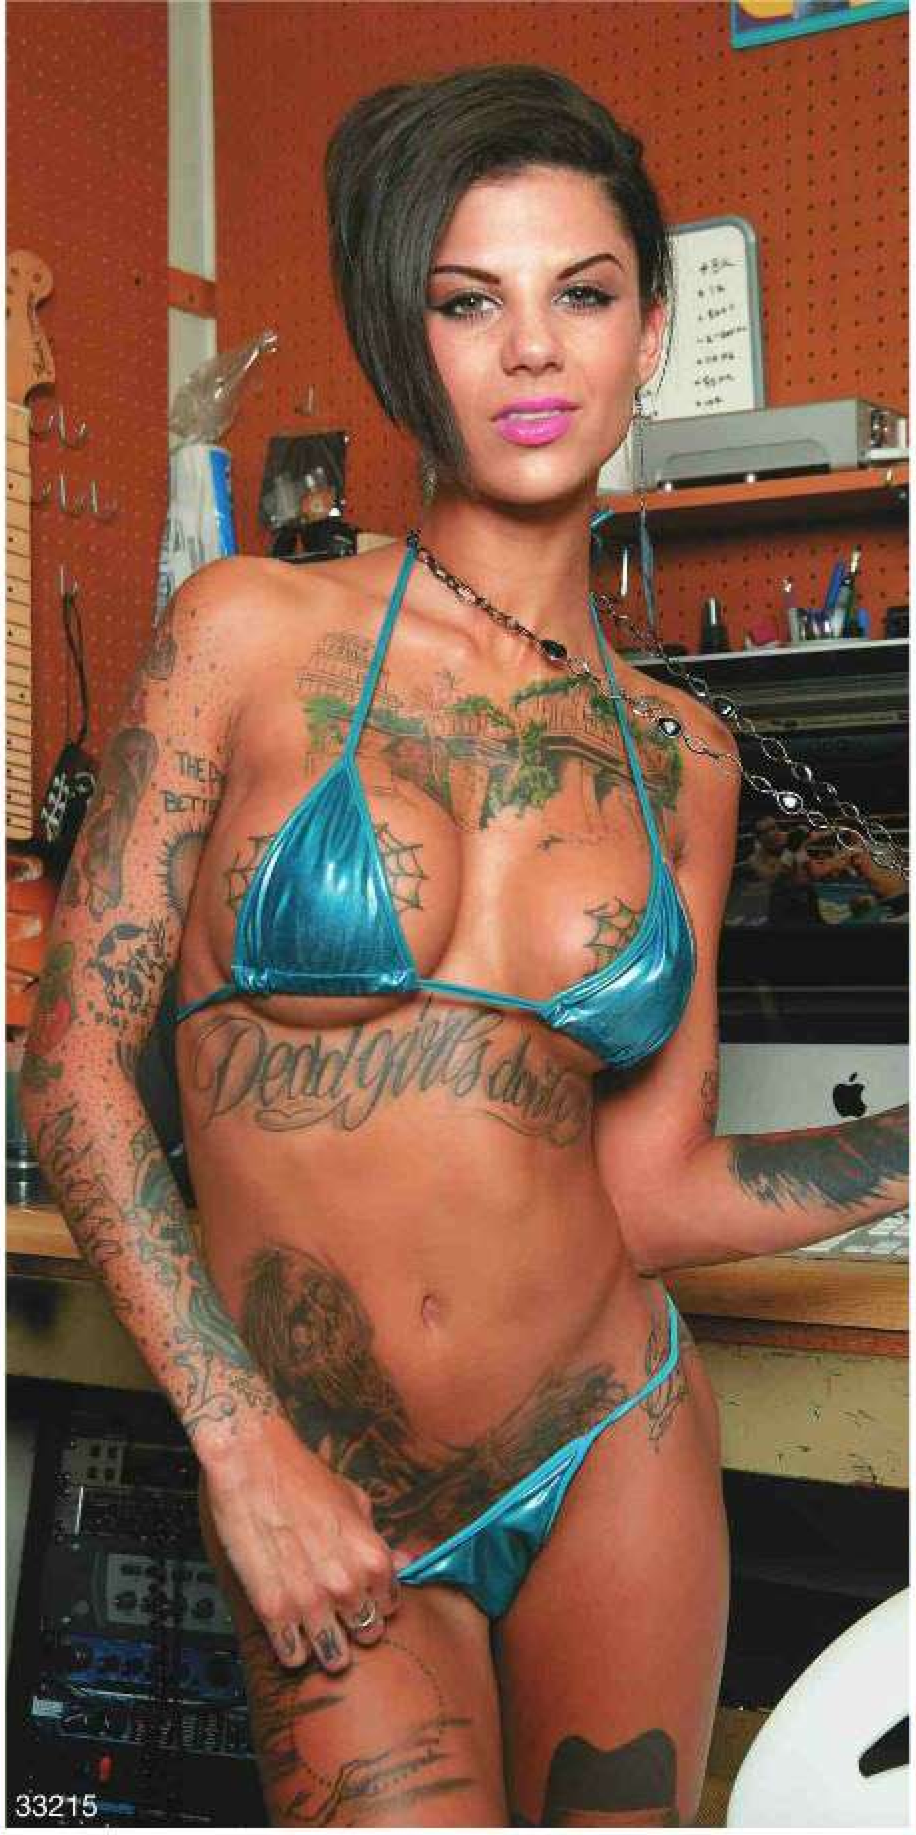
BONNIE ROTTEN



LEWD, SCREWED, AND TATTOOED!

BADASS ANAL SEX OBSESSED DICK JUNKIE REVEALS HER NEEDS FOR TATS, EURO MEAT, AND DREAMS OF A 10 COCK DAY!

Interview by Emma Edwards

There's no question about it. Your body is eccentrically decorated with a significant amount of tattoos. With that said, do you consider your body to be a canvas?
I do. Basically, I am a girl that comes from a small town. I've always been an attention craving type of person and am known for being wild. I started getting piercings before I started getting tattoos. I had a ton of piercings until I was fifteen. Once my parents agreed to sign the consent forms, I began getting tattoos. It is important for me to be able to express myself. My body is the way I chose to accomplish that. At that time, that was my only outlet.

Do you use your body as a tool to express your experiences, dreams, interpretations of life, and so forth?
Definitely! I have a lot of tattoos that have weird and significant meaning to me. Other people may look at them and say, "What in the world is that?" Every one of my tattoos means something different. They are all cool and symbolic in their own right.

What was your first tattoo of?
My first tattoo was the zombie on my lower stomach. His name is Henry. He is the zombie from the *Night of the Living Dead: The Beginning* (Comic Book, Issue #1).

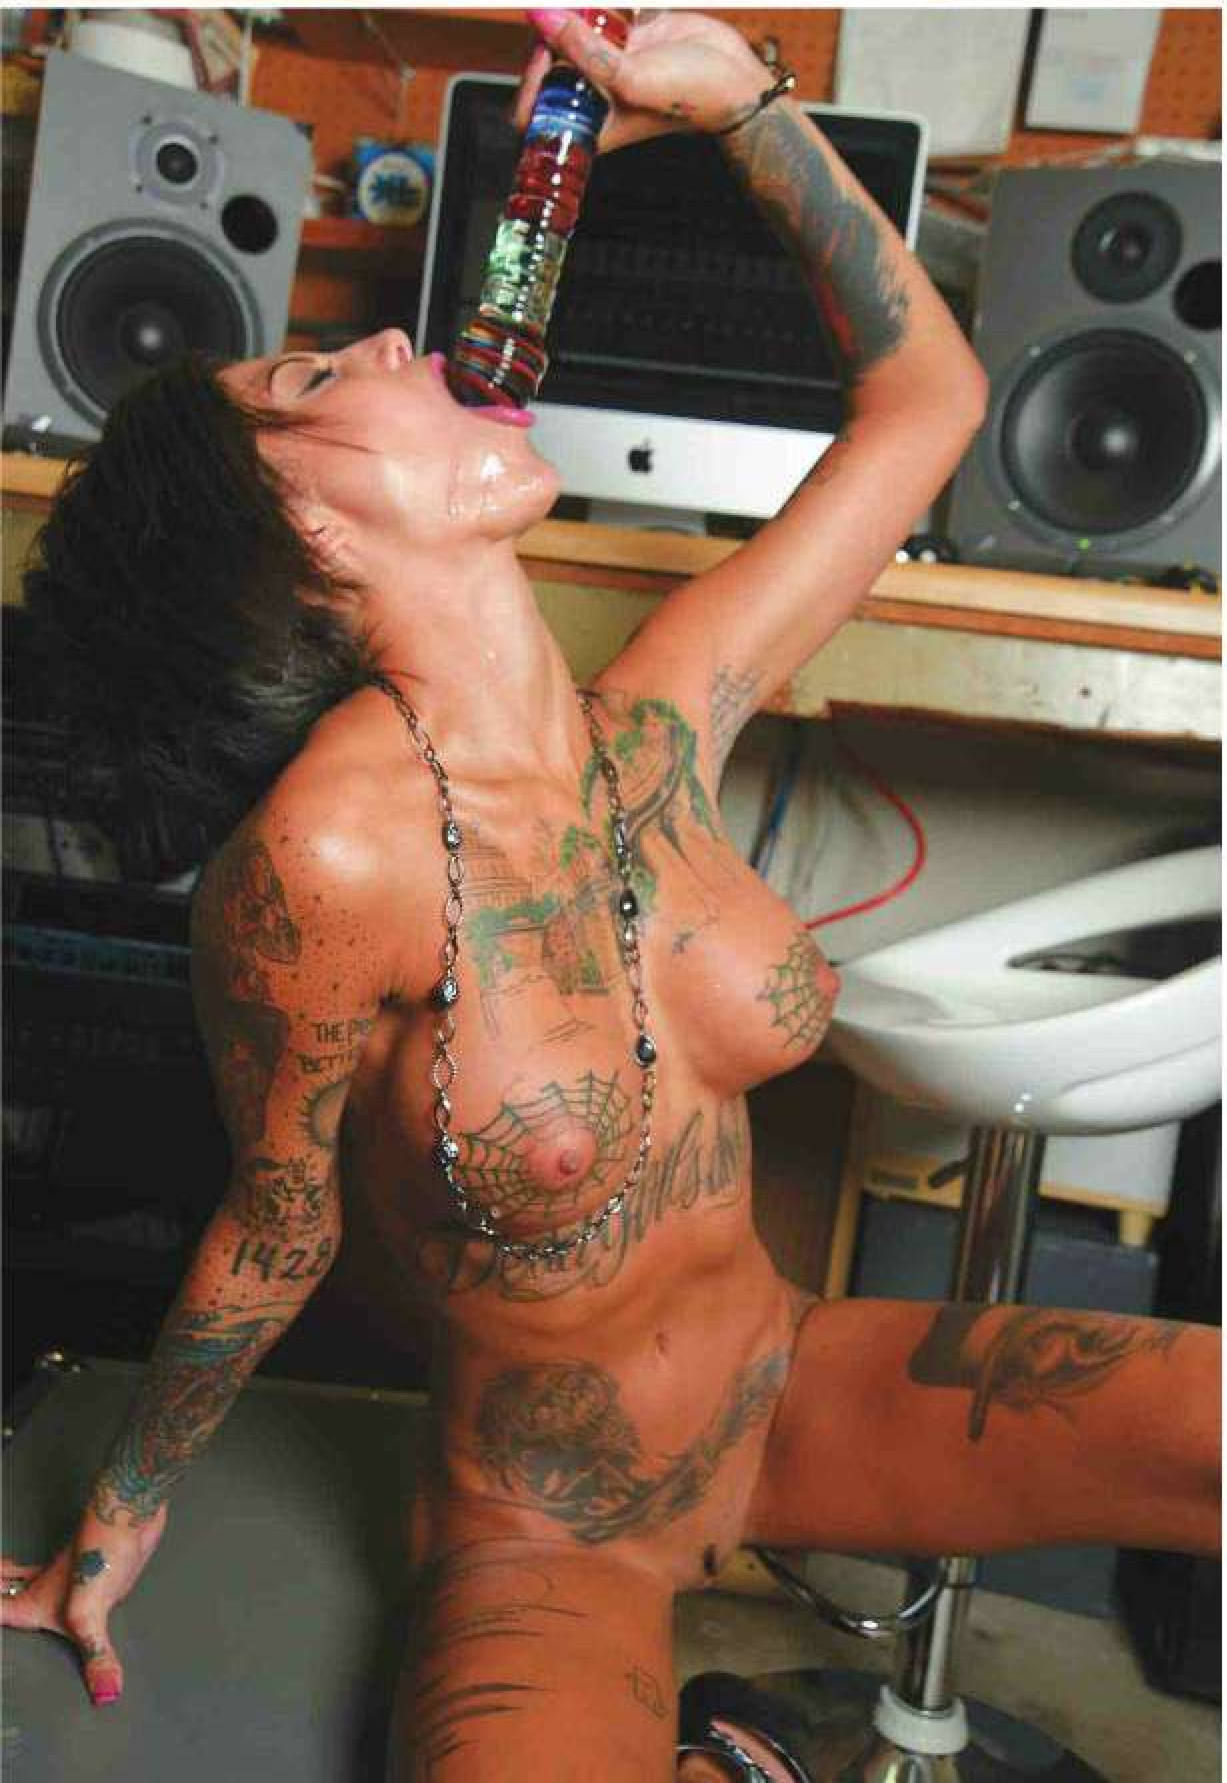
Well, that's something that some of your fans may not have known about you. You are a comic book geek.
Yes, I love horror comics.

Who is the man on your left shoulder?
Well, that's actually not a man. She is a bearded lady. My back is going to be a freak show. Some people thought my bearded lady looked like Charles Manson. I can assure you, she is not. No way! Scary! Seriously, I could never be a guy banging me if there was an image of Charlie on my back. *(laughs)*

Do you have any desire to add on to your eclectic collection?
Well, I do have a few tattoos on my body that remain unfinished. When I first got into the industry, I started working so much and didn't have time to finish them. Besides, all of my tattoo artists are back home. As far as the artistry goes, the tattoo is the work of the artist. I couldn't imagine allowing someone else to finish a project that another person started. I don't want to cheat on my tattoo artists.

Describe what you want to have done to your existing tattoos.
My chest has sixteen hours worth of work already done to it. It was meant to be in full color, like a watercolor painting. I still have twenty more hours to go on that one. It sucks because I can't work while it is healing. Right now, I just don't have the time for it. I want to finish what I have, but definitely have more ideas in mind.

Since your body is an interpretation of your experiences, will you place a tattoo on your body that symbolizes your journey through the adult entertainment industry?
Actually, I have not been tattooed since I got into the industry. I would have to find something that wasn't so blatant and outright.



I wouldn't want a tattoo of someone getting fucked in the butt or a hairy dick and balls. If I had a contract with a production company, I might put their logo on my body, I suppose. I'll have to give that question some more thought.

Since your physical body is a work of art, do you consider having sex on camera performance art?
Yes, to a point, although I don't ever want to lose the realism of my performances. I don't want to go too over the top and not be genuine. My reactions and my pleasure are all real. I'm not adding more sauce to the taco, or more cheese on the sandwich. I grew up kind of oppressed in Ohio and used my tattoos as a way of breaking out of my shell. I've learned that it is okay for me to be me and I always want to be real. I consider myself a sexual athlete as opposed to a performer.

Which performers are able to pull the dirty girl out of you?
Ramon Nomar! I love that guy. Toni Ribas. Erik Everhard. Manuel Ferrara. I love the foreign guys. I love rough sex and they deliver rough sex. Gia DiMarco is a fun lady, so I'll add her onto the list too. In fact, I'd like to think that I am the one pulling the dirty out of people as well. I'm very dirty. When I work, I try my best to make the other performers just as dirty as I am.

All of the people mentioned above are the more aggressive style of performers. Is that your vibe?
Yes, I love men that are dominant. I also love Latin men. They look good, smell good, taste good and fuck good. I've worked with a fair share of veteran, American performers and they don't give me much of a response by way of eye contact. They are empty. I don't like that. Foreign guys talk dirty to you, act as though they are going

to eat you alive and genuinely want to be there fucking you. Actually, I think they want to make you fall in love with them, every time. I just love that about the foreign performers.

So, are you known for falling in love with the foreign guys you are working with?
Yes! Well, at least for a few hours any way. It's fun to fall in and out of porno love.

Perhaps people from other countries are sexually freer and more uninhibited than many Americans tend to be.
Yes, I really feel that is the truth. There are several foreign performers that come into the US that I don't get to work with. For example, there was a group of three French girls that I wanted to fuck and didn't get the opportunity to. I posted something on Twitter that said something like, "I feel that all American performers should do anal. This is why I like European performers." A follower of mine on Twitter asked me to explain myself. I said, "People grow up with a certain idea that particular types of sex are wrong. If you grow up with that, you become oppressed when you are older and are afraid to try new things. In those countries, sex is ok and it's more of a love thing. Sex is not as taboo to them as it is in other countries or parts of the world. It's sad that many Americans are sexually oppressed like that."

A perfect example of this occurs when people choose to engage in more unusual types of sex that involves one girl and two men, like a DP situation. Many Euro performers have no problems sharing a woman between them, whereas many American performers cringe at the thought of their penis being anywhere near another man, despite the fact that the goal is to pleasure the woman.
True, many American performers can't seem to go there. I recently worked with this gorgeous stud in Florida. He was so sexy, slamming body, white teeth, and had a dick that was a fat as a soda can. There was nothing wrong with that man. Anyhow, while talking he expressed wanting to come out to Los Angeles to perform. I said that I'd try to help him out and introduce him around. He said that the only thing was that he wasn't down with were gangbangs and DPs because he didn't think that having his dick near another man was hot. I said, "Dude, you have the wrong mentality. You're not there to rub dicks with another guy. You are there to destroy a hot girl together." That seemed to do the trick. He changed his frequency.

Are there any performers you'd love to sexually attack?
I'd love the opportunity to work with Asa Akira. I love her and don't know who I have to beg in order to get that opportunity. She's the ultimate. Surprisingly, I don't do many girl/girl scenes. I would love to be getting gangbanged alongside that chick. Wouldn't that be hot?

So then, let's expand this fantasy. What would be the ideal situation for you and Asa Akira, aside from the gangbang?
I would love to be in a three-way with Asa and Manuel Ferrara. I'd fasten a strap-on cock around her waist and let

> "I feel that all American performers should do anal. This is why I like European performers.

her destroy me. I would love for them to DP me together. That would be an expensive and explosive scene.

We love your balls to the wall energy. Where as most girls ease in the adult industry, beginning with solo, then moving into girl/girl and then boy/girl, you dove in headfirst. Bam! Why did you orchestrate your career in that way?
I didn't want to fuck around! I wanted to do what I wanted to do! I couldn't wait to push myself and experience all I could. In the beginning, I couldn't help but salivate over all the hot guys. Really, I have so much fun on set. Near the beginning, I talked with the people over at New Sensations and told them I wanted to do a gangbang. Thankfully, they made that happen. A couple of weeks later, I was fucking four guys and loving every second of it! Go hard or go home!

In your personal life, what is your ultimate sexual combination of people?
I love regular-sized home cock. But if I could fuck a bunch of guys everyday, then why wouldn't I? Two cocks for breakfast, two cocks for lunch, two cocks for dinner.

"I love being fucked in the ass. My pleasure from anal sex is just as mental as it is physical. My butt was made for fucking!

You forgot snacks.
Yep, add in two more regular sized cocks to snack on between meals.

Do you enjoy the use of fingers during sexual play?
Sure, fingers are fine. I love finger insertions but hate it when girls with long nails do it. It hurts. Some girls have straight claws and I tell them, "Hell no. There is no way you're fucking up my pussy." My vagina is my tool, my moneymaker. If I mess up my vagina, I'm not going to be happy.

Spit or lube?
Spit, although I'm not going to try and be a bad ass because I need lube sometime too. Have you seen some of the dicks I've taken up my butt? *(laughs)*

What type of sex brings you the most physical pleasure?
Anal! I actually get bummed when I'm booked for a shoot and there is no anal. Something about anal sex brings another element of dirtiness to that scene. I love that. I love feeling dirty and having fun. I want to feel all the love and physical endurance of doing anal. I love all the preparation that goes in to it too. It's like a nasty vigil that makes me feel sexy. It's a mental thing for me. I love being fucked in the ass. My pleasure from anal sex is just as mental as it is physical. My butt was made for fucking!

Were you always into anal sex?
It's funny because when I first got into the industry, I wasn't down with anal sex at all. I wouldn't even allow another person to stick their finger in my butt let alone their cock. I just couldn't do it. Then, one day, I worked for a bondage company and a guy shoved an electric butt plug up my butt and turned it all the way up. It felt like needles in my butt and I freaked out. In another situation, I was tied to a bed and a girl with a dick on a stick shoved her toy up my butt without warming me up or warning me. I felt sad for my poor little butt. Thankfully, I pushed past all of that.

Who was your first onscreen anal scene with?
Mike Adriano. He's gorgeous and huge. Surprisingly, it was heaven from then on out.

What is left to accomplish on your porno bucket list?
There is lots of stuff left to do. Since I've already done so much in my first year in the adult industry, I'd like to start pacing myself. However, I'd love to do an all-girl gangbang,

an all-girl squirt scene, another gangbang with more men, double vaginal, double anal, and so much more. I will do all of this eventually.

Squirting! You are known for producing projectile squirts.
There was a guy that I met when I first moved to Los Angeles. Every time we'd mess around, he could make me squirt like crazy. He was the only person that was able to do it. Once in the industry, Veronica Avluv gave me tips. In time, I practiced. As a result, my aim and my gushiness got better.

You just shot a scene with Erik Everhard in *Hotel-NoTell* (Wicked Pictures). How was that experience?
That was a good time. I actually shoved a ring pop up my ass and Erik ate it afterwards. I squirted so much in that scene. That was a good day. I can't wait to see it. I had to talk and act like an airhead in that scene. I've never played a role like that before so it was a lot of fun for me. Jonathan Morgan is a great director to work.

Do you enjoy working in Gonzo style movies or feature driven productions?
I love the feature driven movies and being able to turn into another character. It's fun acting as someone else. I love being Bonnie Rotten but also love portraying other people too. I just played the title role of Ram-bone for Dream Zone. I was Joan Ram-bone instead of the infamous John Rambo. It was hilarious.

You totally kicked zombie ass in *Beyond Fucked: A Zombie Odyssey* (Smash Pictures). Do you enjoy zombies and scary movies in your private life?
Yes! Bonnie Rotten is a zombie. She's my pin-up zombie alter ego that I invented. I have her tattooed on the back of my leg.

Due to your body of tattoos, do you feel that people have a misconception about you? Who is Bonnie Rotten?
In the beginning, people tried type casting me as the ALT-girl. I'm not an ALT girl. Bonnie Rotten is just a pretty girl with a lot of tattoos who loves to get dirty, loves to have fun and loves to be creative.

What else would you like to say to your fans?
If you ain't sinnin', you ain't winnin'!

HOT BODY INK ⚡⚡⚡⚡⚡

(Elegant Angel) Starring: Bonnie Rotten, Christy Mack, Bailey Blue, Sarah Jessie, Dana Vespoli.

Perfectly suited for fans of hardcore chicks with tats, director William H has assembled five, ink intensive babes in this illustrious lineup. Unleashing the stamped tramps on capable studs, watch as their sloppy holes get poked, pierced, prodded and pounded to a pulp. Looking dangerously beautiful on the cover, Bonnie Rotten proves her value isn't only skin-deep. Demonstrating expert cock riding skills, she sucks and pumps Mick Blue. With her slender legs tucked behind her ears, Bonnie looks phenomenal when taking eight-inches up her asshole. Sarah Jessie, another notable inclusion, looks incredible when getting cock pinned by Erik Everhard. Pulling her pussy flaps open for easier entry, Erik has no problem sticking his dong in, balls deep, when taking the reigns in reverse cowgirl. Dirty blonde, Bailey Blue, can do no wrong when she goes toe-to-toe with Manuel Ferrara. Making her pussy and pucker pop repeatedly, this scene isn't shy of showcasing her hot holes in action. Dana Vespoli is also treated to some rectal rooting from Mick Blue, demonstrating her best work when taking it hard in doggie. Afterwards, Mick Blue is found creaming the seams of Christy's Mack buttery muffin. Energetically riding his dick in several positions, Christy takes control in sidesaddle before getting splashed with a mouthful of Mick's sticky ink!

WET DREAMS ⚡⚡⚡⚡⚡

(Wicked Pictures) Starring: Sheena Shaw, Jada Stevens, Anikka Albrite, Dillion Harper, Ashley Fires.

Understanding our biological need for love, lust and nocturnal nookie, director Jonathan Morgan has delved into a secret world of erotic indulgence by creating five, mouthwatering scenes that are filled with fetish, flesh and fantasy. Along with an illustrious cast of industry heartthrobs, he's unleashing mouthwatering acts of random sex that are sure to tempt, tease and tickle your taste buds. The movie begins with Karlo Karrera rushing home to ravage his home intruder, Sheena Shaw. After watching her ram her butthole full of arm-sized toys, Karlo switches them out for the real thing, treating his erotic intruder to some tough love. Turning good boys dirty, Dillion Harper, a naughty schoolgirl, reaches into her backpack and impales her pussy with a plastic prick in the following encounter. Unable to control himself, Mick Blue stuffs her muffin full of cock and demonstrates the exact way to fuck and suck like ivy league scholar. Next, as a Valentine's Day surprise, Anikka Albrite inserts a plastic prick up her pussy and later in her mouth when gifting James Deen with the royal treatment. Not to be outdone, Ashley Fires also excites when dishing out some gape and gash to Toni Ribas when she treats him to a happy meal in her kitchen. Prince Yahshua ends the show by turning Jada Stevens head over heels when devouring her flawless body from the inside out.

BEYOND FUCKED: A ZOMBIE ODYSSEY ⚡⚡⚡⚡

(Smash Pictures) Starring: Bonnie Rotten, Asphyxia Noir, Nikki Heart, Phoenix Askani, Annie Cruz.

A government-controlled obesity epidemic/cure has turned mere mortals into zombies. Without the need to eat, the body gorges on it's own fat. When there is no more body fat to consume, that's when the hunger for human flesh strikes. Hired by a mad scientist to collect the uninfected semen of healthy men, Bonnie Rotten is on a mission to repopulate the Earth, one cum load at a time. But, until then, our world remains *Beyond Fucked*! The zombie odyssey begins with Bonnie Rotten and Tommy Pistol knocking boots before the pandemic strikes. With loads of saliva and a skillful tongue, Bonnie devours Tommy's pistol before working his cock in the cowgirls. It's a hot start. Later, as Bonnie is led to a seedy motel/fight club, she beds Nikki Heart, the hot bartender. Quick on the drip, Bonnie devours Nikki's saucy slit like a drunken sailor before succumbing to a flurry of vibrators. From here, we find Mark Wood, a mad scientist, conducting a full body experiment on Phoenix Askani by bending her over a hospital bed to cream her seam in standing doggie. While this is underway, Tommy Pistol, Bonnie's former lover and current zombie, is fucking the stuffing out with Annie Cruz, as Bonnie watches. In the end, Bonnie completes her mission by literally coaxing the cum from Asphyxia Noir's mouth after John Strong has fucked her dirty.

LESBIAN PARTIES ⚡⚡⚡

(Girlfriends Films) Starring: Britney Young, Ashli Orion, Dillion Harper, Eva Notty, Cassandra Nix, Natalie Heart, Sophia Jade, Katie St. Ives.

Understanding our desire for incredible lesbian encounters, Girlfriend Films has selected another batch of hot pockets and unleashed them onto seasoned lesbians in this all-girl fiesta. With sexy scenarios and a beautiful blend of attractive females, fans of lusty lesbian encounters will certainly have much to celebrate once the first set of panties hits the floor! Britney Young and Ashli Orion are a dream come true. With their fresh faces, tight bodies, and eager beavers, they churn out the most cream when sandwiched on top of each other in a mouthwatering sixty-nine arrangement. With plenty of chemistry demonstrated throughout, these lusty ladies are the life of the party. Eva Notty, an experienced MILF, definitely lives up to her name when seducing Dillion Harper, a much younger teen. Enticing her young lover by slipping her nip into her pussy, nothing is sweeter than watching Eva's buttery nipple shine. Cassandra Nix and Natalie Heart also look quite scrumptious when grinding their gashes together. With their bodies intertwined like silly string, expect plenty of wet, wanton action once the ladies whip up some sugary icing. Katie St. Ives ends the party by mounting Sophia Jade. In time, after milling their muffs together, trickles of milk emerge, causing both bitches to slip 'n slide on the orange sheets. Now that's what we call a party!

DESTINY

Fucked Up Beyond All Recognition

The true mark of excellence comes not in price or general regard. It comes in endurance. For Destiny, the ability to endure three raging cocks at the same time in each and every hole has made her a muff marathoner. How she trains for such feats is a secret, but we have a feeling it involves a lot of hole stretching and jizz drinking. A stuffed mouth, a crammed cunt, a gaping asshole, and face full of cum are the hallmarks of whoredom with which Destiny displays proudly. Well done, Destiny! Well fucking done.

DANIELLE

Bangers And Gash

For this big-boobed British butt slut the only way to do things is her way. You will suck her gigantic tits before you finger her dripping wet cunt. You will eat her slice lovingly right before you tonguefuck her Anglo asshole. And, yes, you will pound each and every one of her holes into oblivion and make her cum twice before you shoot your load deep inside her hot butthole. This is the way. The only way.

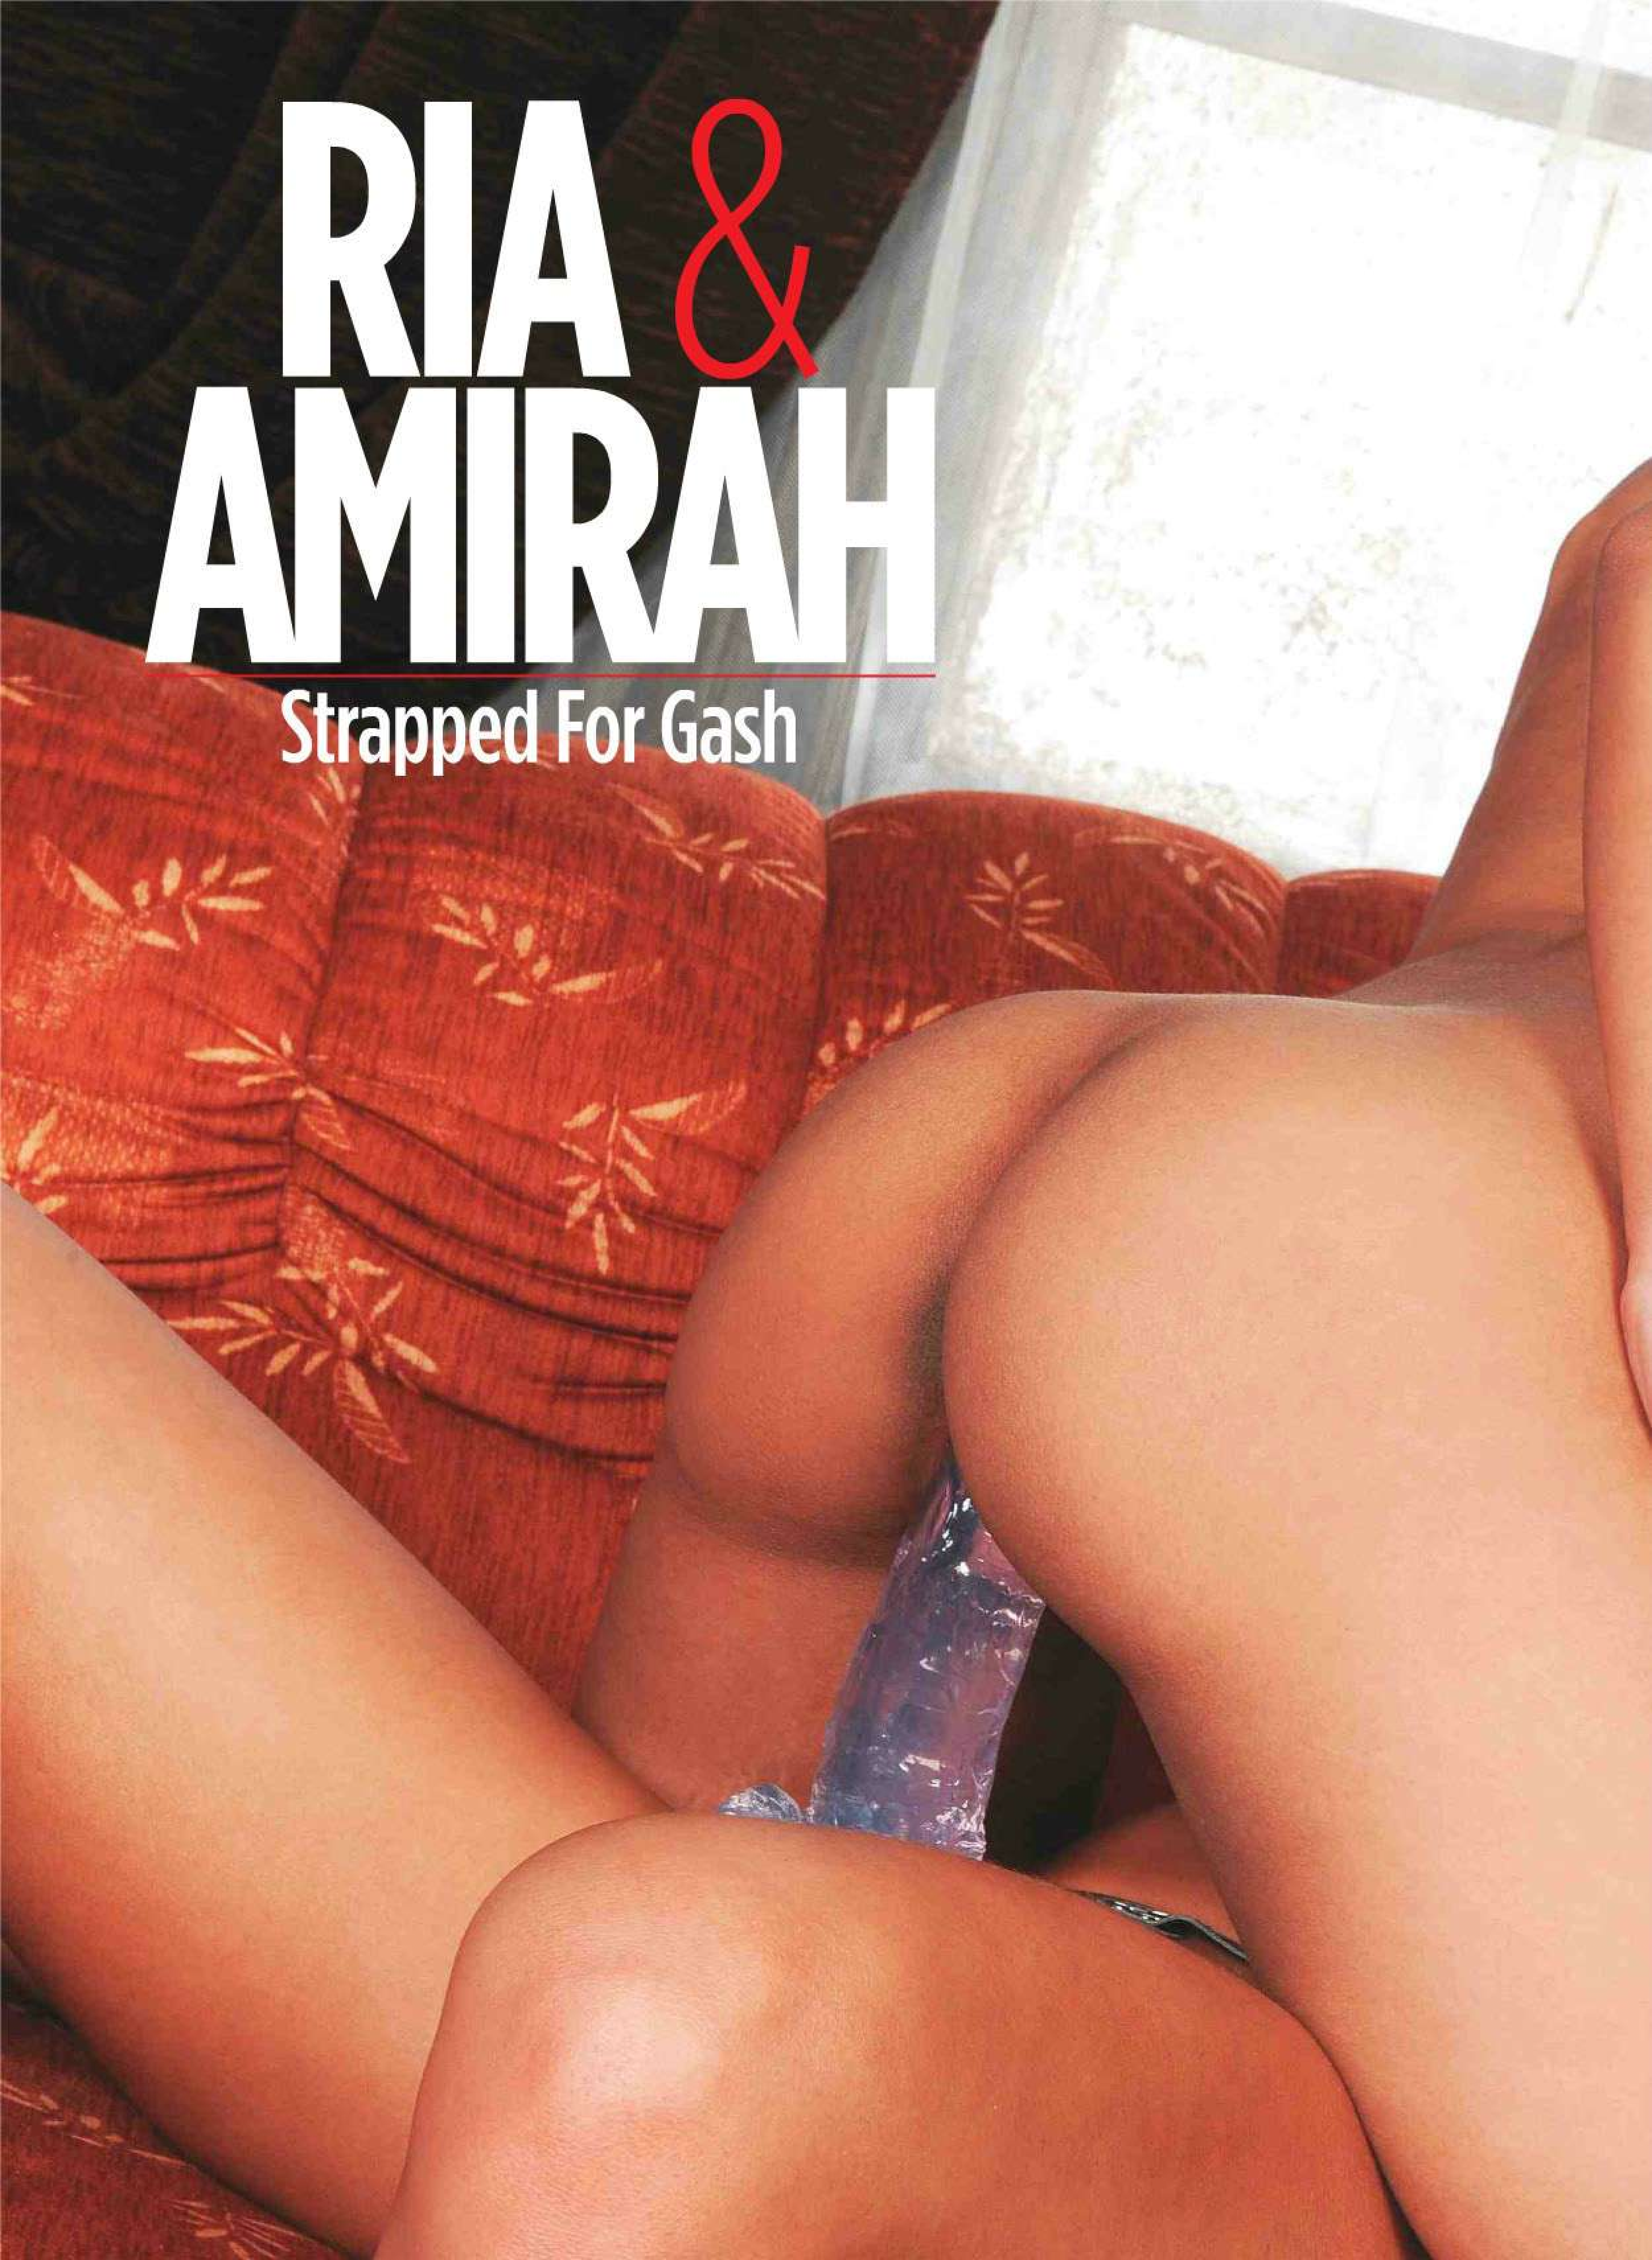
RIA & AMIRAH

Strapped For Gash



33379

Bisexual best friends Ria and Amirah are always there for each other. When Ria was a little short on her rent money, Amirah helped her out. When Amirah was short on her car payment, Ria gave her some cash and ate her pussy. Nice, huh? To return the favor, Amirah gave Ria a nice rubber strap-on and commanded that she fuck her tight hot cunt until she came. The favors kept on cumming and cumming 'til they were both completely fucking spent. The sex was so good they forgot the cash, but they sure settled up the next day.

To see more hot photos of **Amirah & Ria**, visit **www.cherimobile.com/33379** or simply scan the code above with your Mobile Camera Phone using your QR Code reader.
